

2.5% get stuffed

Not every truck works 24/7

1 job per month

Let me register my truck for two days NOT a three month block

I travel 15000 ks per year

Why am I penalised

Money doesn't grow on trees

---

Furthermore

I want to stay in a motel for 3 nights @ 120 per night = 360 \$

Why should I pay for 3 months

If i cancel my rego why penalise me with 300 \$ book work fee take two weeks to send me the remaining money by cheque

This sucks

---

Still more

50 % of the roads i travel on are dirt they are lucky to see a grader once a year and not maintained by you

Why do I pay the same registration cost as someone using the Hume etc

This system sucks

User pay

1 day ...4 days ...3 months

Thought the ntc is for the interests of the transport industry

Sadly mistaken

It appears to be a money grab
